

Announcement 2022 – 18

Foreign National Borrower's Guideline Update

Effective immediately, the following guideline change will be implemented for all new loan submissions.

- Foreign National Borrower's from Russia and Belarus will not be eligible for financing. Additionally, funds from these countries will not be an acceptable source of down payment, closing costs, or reserves.

Please distribute this information to the appropriate individuals within your organization.

If you have any questions, please contact your Business Development Officer (BDO).

We thank you for your business.
